It didn't **C** ..... (r n u) away. It just **D** ..... (t s a) under the leaves and **E** ..... (o e k d l o) at me. I got some bread and milk, but mum **F** ..... In the evening the weather wasn't so hot, and the hedgehog **K** ..... (t e a) the food and **L** ..... (k r d a n) the water and **M** ..... (n r a) about in the garden. And the next day it wasn't there. I think it **N** ..... (t e n w) home to its family. Have you got an interesting story about an animal?
