Hi Joe,
Yesterday **was** a very strange day! Kate and I **went** to the park, and everything **was** crazy.
We **saw**

- **fish** flying in the sky.
- mice chasing cats.
- grandparents **doing** handstands.
- children **reading** newspapers.

We **ran** out of the park. We **wanted** to laugh and to cry too. We **went** home, but Mum and Dad **were** on the ceiling! There **was** a book on the table and all the words **were** upside down. So we **opened** each page and we **blew** the words into place. And everything **went** back to normal. Mum and Dad **came** down from the ceiling. The fish **went** back into the rivers and lakes and sea.
Kate and I **were** very tired.
What a strange day!! Do you **believe** me?
Charlie
